**T**here's no lay organization in the world that does more important apostolic service than the Knights of Columbus. Any bishop will tell you that, because it's true. When Knights live their vocation, they're a witness of Christian manliness, and we need a lot more of that special kind of witness — urgently. We need men who know how to be real men, men who serve and lead as Christian husbands and fathers. Programs and resources are important, and the Knights do that sort of work better than anyone else. But the real gift that Knights give to the Church is their lives and their love for Jesus Christ. Nothing is more powerful.
